Proposed constitutional change:

The following constitutional change was presented at the 2006 AGM (held on 11th November at University of Birmingham) to be voted on at the 2007 AGM (to be held on 17th November 2007 at the University of Northampton):

The current constitution reads:

“10: The **proceedings** of these meetings will be sent to all members of the Society.”

It is proposed to substitute this with a new version of this paragraph as follows:

“10: The **proceedings** of these meetings will be made available by the Society on its website.”
