

British Society for Research into Learning Mathematics

CONSTITUTION

Name

1. The Society has the name “The British Society for Research into Learning Mathematics” (BSRLM)

Aims

2. The aims of BSRLM are:
 - To be the major forum for research into mathematics education in this country;
 - To be both an environment for supporting new researchers and a forum for established ones;
 - To be accessible to as wide a range as possible of people interested in Mathematics Education;
 - To promote the conduct and dissemination of research in mathematics education in this country.

Membership

3. Membership is open to anyone interested in research in the area of Mathematics Education.
4. Membership is on an annual basis running from January to December and depends upon payment of a subscription payable on or after 1 January. Levels of subscription are determined by the Annual General Meeting.
5. Memberships will lapse if subscriptions are not renewed by March 31st. If only part-payment of the subscription is received, such part-paid members will continue to receive mailings of the Society but will receive no further copies of RME until such time as their membership is paid in full.
6. Only members have the right to participate in the AGM.
7. No member may make public statements purporting to be representative of the views of the BSRLM membership as a whole.

Organisation of the Society

8. The day to day running of the Society will be the responsibility of the **Executive Committee**, which comprises nine officers: Chair, Treasurer, Secretary, Membership Co-ordinator, Publications Officer, Online Communications Co-ordinator, two Day Conference Organisers and Outreach Co-ordinator.
9. It is intended that the Society will hold an **Autumn meeting** and at least one other **day meeting** each year. The Executive Committee will seek to locate the meetings at a variety of places around Britain.
10. The **proceedings** of these meetings will be made available to the Society on its website.
11. The **Annual General Meeting** (AGM) will normally take place at the Autumn meeting. (See paragraph 23).
12. The Executive Committee will report to the membership via the AGM and will distribute minutes.
13. An **Open Forum** with the purpose of reviewing policy decisions and directing the course of the Society will be convened, made up of the Executive Committee and other members who are interested in taking part. The Open Forum will convene once a year. Any propositions put by the Open Forum will be included on the agenda for the AGM.
14. Having obtained the permission of the Executive Committee, BSRLM members may form **Special Interest Working Groups** which will be enabled to meet and publish under the aegis

of BSRLM. The publications and meetings of these groups should acknowledge the support of BSRLM but should also indicate that they do not represent the views of the membership as a whole.

Composition of the Executive Committee

15. Members of the Executive Committee or members co-opted by the Executive Committee may act as representatives of BSRLM in other organisations and in activities in so far as such participation promotes the aims of the Society.

Members will be elected to a named officer position on Executive. The relevant outgoing officer will support a new officer for a period of four months (January 1st until April 30th).
17. All members of BSRLM are eligible for election to the Committee, including past and retiring Executive Committee members, with the exception of current members with a term of office still to complete on the Committee.
