**Membership Coordinator's Report**

There are three membership types:

- Full membership
- Student/Retired/ Unwaged membership
- Mailing list only membership

Current membership numbers across the three categories are:

Full membership	219
Student/Retired/ Unwaged membership	67
Mailing List Only membership	515
<b>Total</b>	<b>801</b>

The total number of members has increased from 726 in 2018 to 801 in 2019, with most of the growth being in the "mailing list only" membership.

**Paid Membership Numbers**

The total paid membership number of 286 represents a drop from previous years.

2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	<b>2019</b>
297	350	413	374	406	449	435	352	423	467	329	312	<b>286</b>

The decline in numbers of paid memberships from 2016 to 2017 was predominantly due to moving members from Standing Orders at the old membership rate to the "mailing list only" membership.

The number of concessionary members (student, retired or unwaged) has been fairly consistent since it was introduced in 2016. It is currently at 67.

### **Mailing List Only**

The number of “mailing list only” members has risen from 414 in 2018 to 515 in 2019. This change has occurred despite deleting mailing list only members whose emails bounced.
