**BSRLM Executive Annual report: Publications Officer**

All three conferences in this reporting year were held online. The number of submissions to the Proceedings was of a similar level to that received from face-to-face conferences. The most recent conference had a 55% write-up rate, this being the same as our last face-to-face conference.

Following each conference, Proceedings were published in the usual ways:

- Online
- As summaries in RME

Conference	Presentations	Proceedings
November 2020	36	12
March 2021	26	14
June 2021 – New Researchers Day	17	9
June 2021 – Main conference	23	13

This reporting period has seen a move to APA 7<sup>th</sup>. Guidance and templates were updated and overall, the move has been unproblematic.

Authors are reminded that they retain the copyright for their Proceedings and that they are free to deposit these without further permissions in (e.g.) a university repository.
